# Key Site Plan

## Palma Sola Grande's design-build process is simple.

First you'll work with our sales agent, Jason Sato, to select your lot and model. Once you've committed to your home and location, we are ready to co-create your dream home.

Working with Teresa Burgess-Grimes, one of the area's foremost interior designers, together you will curate design selections to match your vision.

All our homes include luxury selections that would be considered upgrades in other communities – metal roof systems, hurricane impact windows and doors, locally built cabinets with quartz counter-tops, custom pool with a spa, natural stone pavers, lush landscaping and much more.
